## THE TOP BULL OF OUR 1953 SALE

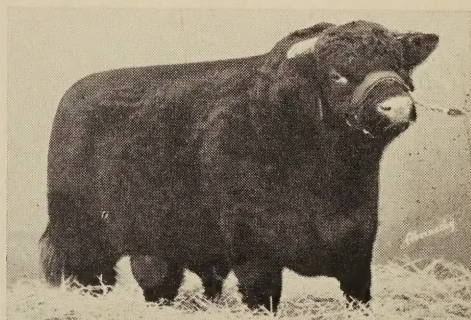

**Burnton Everlasting.** At \$6,000 this bull topped the 1953 Aberfeldy sale going to Anthony Petkus, Lake Geneva, Wisconsin. His first two sales on this continent, eight month old heifers, brought \$1700 and \$1750 in the 1954 Campbell Farms sale.

**BOTH  
BOUGHT  
ON ORDER  
IN OUR 1953  
SALE.  
BOTH STOOD  
SECOND  
AT THE  
INTERNATIONAL**

**Aberfeldy Radium,** purchased for \$2100 in the 1953 sale by Wilbur Spring & Son, Belgrade, Montana. This son of Crichton Drambuie placed second in a class of 28 junior bull calves at the 1953 International two weeks after his purchase.

Buying bulls on order requires the most careful judgment. Last year the sale manager purchased two bulls on order, and in each instance he was able to buy them for less than the amount authorized. Both of these bulls went on to place second in large classes at the 1953 International two weeks later, defeating many bulls that had cost several times their price.

**Aberfeldy Paymaster,** purchased for \$1975 by Elmer Ester & Son, Carrier, Oklahoma, in the 1953 sale. This son of Crichton Drambuie placed second in a class of 23 junior yearlings at the 1953 International two weeks after his purchase.

## ***Wouldn't you have been happy, too?***

**If you had been Anthony Petkus,**

**Lake Geneva, Wisconsin**

Seeing the first two calves by Burnton Everlasting, the bull he purchased at the top price of the 1953 Aberfeldy sale, bring \$1750 and \$1700 . . . just heifer calves. We understand that Burnton Everlasting himself is an even better bull now and if shown this year would be the bull to beat.

**If you had been Wilbur P. Spring & Son,**

**Belgrade, Montana**

To learn that Aberfeldy Radium, the bull they purchased for \$2100 in the 1953 Aberfeldy Sale stood second at the 1953 International on his way from Aberfeldy to his new Montana home. There were 28 calves in this class. This bull was purchased on order at our sale for the Springs.

**If you had been Elmer Ester & Son,**

**Carrier, Oklahoma**

To see for the first time their new herd bull Aberfeldy Paymaster, purchased on order for them in the 1953 Aberfeldy sale for \$1975 place second in a class of 23 junior yearling bulls at the 1953 International. We were happy that Ray Ester was on hand to lead this bull out in the class of first and second prize winners from which the 1953 International grand and reserve grand champions were selected.

Of course, we can't promise International prize winners . . . but we will say that the 1954 bull offering is the best group we have ever offered. Let one of these good bulls put your herd on top.

These tests were made by the Waterloo Cattle Breeders' Unit, Waterloo, Ontario. Calves by the bulls in the unit were used, gains recorded, and tests made after slaughter. We are proud of the record of the Aberfeldy Nugget calves — Top sire among the bulls with more than one calf in the test. Aberfeldy Nugget by Crichton Drambuie is a full brother to Hi-Ho's \$5000 Aberfeldy Model. Nugget was purchased by Waterloo in the 1952 Aberfeldy sale.

## *Our Aim Is To Own and Sell the Profitable Kind*

### *. . . Your Success Is Ours.*

Shorthorns have been a way of life for us at Aberfeldy. It has been a practical business from which came our only source of income. True, the financial success has been gratifying, but even more gratifying are the reports received of the success of Aberfeldy productions and importations in the herds to which they have gone. We will not lose sight of the practicability of our cattle and will continue in our efforts to handle those cattle that will be profitable to our customers and to work always for the improvement of the world's most useful breed of beef cattle.

The acceptance of our productions in the show ring and in auction sales has been most pleasing. We appreciate the confidence that has been placed in our breeding operations and in us who stand behind these cattle.

Surely this is our best effort to date to sell top bulls and females of foundation calibre. We invite all interested in Shorthorn cattle to be with us on November 17 and hope the day will be most pleasant and profitable for you.

**Reford W. Gardhouse**

**Lew Richardson,  
Herdsman**

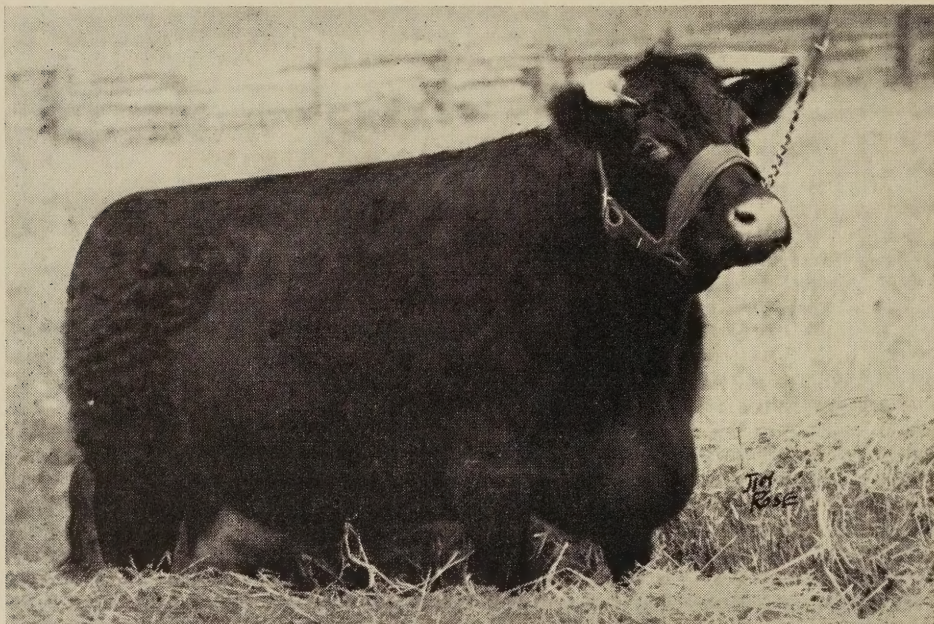

**Ivor Bechmanis, Robert Curtis, Assistant Herdsmen**

The first prize junior get-of-sire at the 1950 International Livestock Exposition in Chicago. Sire, Crichton Drambuie. The bull on the left is **Aberfeldy Monarch**, that heads the herd of Ray and Robert Peters, Elsie, Michigan. The bull in the center is **Aberfeldy Model**, \$5000 top of the International sale, now a herd sire at Hi-Ho Farms, Phoenix, Maryland. Nine of the eleven animals in the 1953 Hi-Ho show herd was sired by Aberfeldy Model.

## THE TOP SELLING FEMALE OF OUR 1953 SALE

**Orchard Crocus 4th**, a daughter of Cruggleton Brunel that sold with a bull calf at foot by Westdrums Lancaster Chief, was the top selling female of our 1953 sale. She was purchased for \$3200 by Joseph Zuro, Fontana, Wisconsin.

**WE SOLD THIS COW IN  
OUR 1952 SALE FOR \$2800**

**Burnton Princess Royal 8th** by Beaufort Bolido. She was purchased for \$2800 in our 1952 sale by Kickapoo Farms, Kenosha, Wisconsin. A maternal sister to her dam, Burnton Princess Royal 7th, sells in this sale. See Burnton Princess Royal 22nd, lot 46.

**CARRYING THIS CALF WHICH  
SOLD FOR \$3300 IN THE 1954  
MARELLBAR SALE**

Right is **Kickapoo Princess Royal 10th**, the calf Burnton Princess Royal 8th was carrying. This heifer was sold by Kickapoo to John Alexander & Sons, Aurora, Illinois, for \$3300 in the 1954 Marellbar Invitational. Kickapoo Princess Royal 10th is sired by Westdrums Lancaster Chief, a bull we imported, used in the herd and sold to W. C. J. Marquart, Jr., Bartlett, Texas.

Your cattle must be thick to meet the demands of the packer for carcass quality. Thickness is one of the most difficult things to breed into a herd of cattle. We've made a specialty of it at Aberfeldy, with important assists from herd bulls like Crichton Drambuie. The three head on the left above are sired by him. If thickness is one of your herd problems we urge you to see this offering.

## Canada's Greatest Shorthorn Days

**NOV. 17th (10:00 a.m.)** The Third Annual Gardhouse Sale, Aberfeldy Farms, Weston, Ontario.

**NOV. 17th (7:00 p.m.)** The Sale of the Stars, Royal Winter Fair, Toronto.

**NOV. 18-19.** Judging of Shorthorns at the Royal Winter Fair, Canada's greatest livestock Show.

We know you enjoy attending Shorthorn shows and sales, but often time will not permit it. Therefore, if you are able to make just a couple of trips during the sale season we suggest you plan them at a time when you can see the most.

The three days outlined above are packed with excitement . . . two great sales, and the most important livestock event of the year in Canada. Even if you can't stay for the show, we would like to remind you that on November 17th you can see and bid on more outstanding Shorthorns in a single day than at any other time of the year.

Please note the early starting hour . . . 10:30 a.m. This is so you will have time to return to Toronto, inspect the cattle at the Royal Winter Fair, and have dinner before the Sale of Stars. Aberfeldy is just a 45 minute drive from downtown Toronto.

# GENERAL INFORMATION

**TIME AND PLACE:** Aberfeldy Farms, R. R. 5, Milton, Ontario, Wednesday, November 17th, 1954, at 10:30 a.m.

**HEALTH AND GUARANTEE:** Printed in full on page 54 of this catalog.

**BREEDING DATES:** A complete list will be furnished on sale day.

**COMMUNICATIONS:** Farm phone Milton 590. Telegraph office is Milton.

**HOTEL ACCOMMODATIONS:** We will be happy to arrange accommodations for you in Toronto if notified sufficiently in advance. Because of the Royal Winter Fair, it may be necessary to take care of last minute requests in motels, of which there are many of excellent quality. The King Edward Hotel, Toronto, will be sale headquarters.

**AUCTIONEERS:** C. D. Swaffer, Tulsa, Oklahoma. Jim McKinlay, Morpeth, Ontario.

**LIABILITY:** We will not be responsible for any accidents that may occur. Although we will make every effort to provide for the comfort of those attending, persons attend at their own risk. Neither the sale manager or the clerk assume any liability whatsoever. The sale manager was retained by the owner for the specific tasks of handling the advertising, publicity, and preparing the catalog.

**MAIL BIDS:** Those unable to be present but who desire to take advantage of the buying opportunities in this sale may contact one of the following men, either at the address listed or at Aberfeldy Farms:

H. R. White, Secretary, Canadian Shorthorn Association, Gummer Bldg., Guelph, Ontario.

E. H. Stoltz, Eastern Representative, Canadian Shorthorn Association, Aurora, Ontario.

E. R. Henderson, Western Representative, Canadian Shorthorn Association, Saskatoon, Saskatchewan.

Don Longley, The Shorthorn World, 16 South Locust Street, Aurora, Illinois, or any of the auctioneers.

Last minute communications should be addressed to these men at the Royal York Hotel, or to them at Aberfeldy Farms.

**TRANSPORTATION TO SALE OF STARS:** We will provide transportation to Toronto after our sale for those not having their own cars.

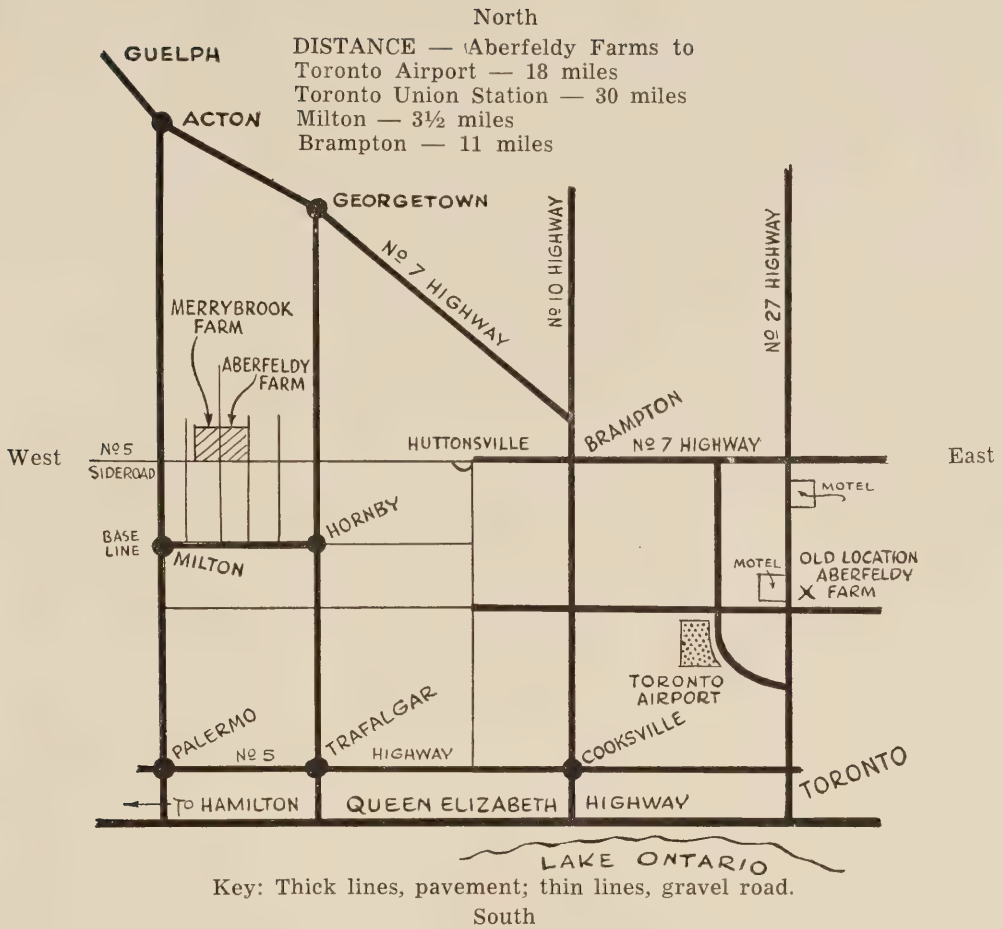

## **RECORDING FEES IN THE AMERICAN SHORTHORN BREEDERS' ASSN. HERD BOOK** (Applicable only to animals sold for export to the U. S.)

All animals carrying the prefix Aberfeldy can be recorded at the regular fee of ten dollars to transfer from the Canadian to American herd book. We have already or will record the dams in our breeding herd and the herd sires used.

All imported animals will be subject to the \$100 fee required by the American Shorthorn Breeders' Association and this must be paid by the purchaser. None of the imported animals are subject to the new American fee of \$200, since they were purchased prior to September 1, 1954.

Lot 9, Crichton Baronet, and lot 11, Tolquhon Royalty, can be transferred at the regular \$10 fee as their dams are being kept in the herd.

## How To Get There . . .

If motoring a convenient map of the locality is printed above for your directions to the farm.

Milton, Ontario, just 3½ miles from Aberfeldy is on the main C. P. R. route from Chicago to Toronto. Time schedule is below.

Toronto Malton Airport is 18 miles east of farm.

Toronto Union Station, a distance of 30 miles.

We will gladly meet any of the trains or planes, if you let us know in advance.

## Getting Your Cattle Home . . .

**East or West from the Winter Fair:** Our cattle will have all the papers necessary for immediate shipment and can be sent with pool shipments from the Royal Winter Fair. We will take them to Toronto free of charge and load them on box cars. This applies to cattle going anywhere.

**To the International:** We can combine purchases with our own or other cattle going to the International Livestock Show in Chicago.

On cattle going to other points we will be glad to hold them until you can make the best shipping arrangements.

From left to right, **Aberfeldy Nonpareil 7th**, lot 25; **Aberfeldy Fairy 3rd**, lot 23; **Pittodrie Lucy**, lot 18; **Saltoun Roth's Queen 15th**, lot 14; Back Row, left to right: **Aberfeldy Rosewood**, lot 27; **Cluny Augusta Anne**, lot 36; **Aberfeldy Queen O' Roth's**, lot 21; **Barquahar Sweet Lavender**, lot 32; **Aberfeldy Secret**, lot 22.

It isn't necessary for me to recite the record of Reford Gardhouse to the Shorthorn cattlemen. I know of no man his age, of any breed, who has achieved such world-wide recognition as a breeder and judge. Being a good judge is certainly an important asset in being a good breeder. It is only natural that others should lean on his judgment and that the cattle bred by him or selected by him for his sale be regarded as an especially reliable group from which to choose a herd bull or a top foundation female.

You can't really be in this business without an outstanding herd bull. I have watched the bulls in this sale at various stages of their development and am confident that they are going to make great records in the herds of their new owners.

As far as the females are concerned, it is a real pleasure to take part in selling such a group. Study the picture in the center of this catalog. Over half the females in the sale are shown. Collectively, wouldn't they make one of the world's best herds of beef cattle? As single lots, each can start a prolific new female family, the influence of which will grow wider as each daughter, granddaughter, and great-granddaughter takes its place.

It is impossible to measure the value of cattle like these in terms of dollar improvement to the herds of the new owners and to the entire breed.

**Crichton Drambuie** — We went to the International in 1950 with the first Drambuie calves. One topped the sale at \$5000. They were the first-prize junior get and second-prize senior get. Also, the first prize pair of bulls. Since then, one calf crop after another has gone to the top. His calves excell in thickness, good heads, smoothness, and stand on sturdy, well placed, short legs. There can be no question but that he is one of the most potent sires of the decade. His sons and daughters are producing winners and top sellers in every part of North America.

**Kair Ambition (imp)**--Purchased at Perth, 1954, at 1000 guineas as herd bull insurance. Arrived at the farm in May in very moderate flesh and has not been fitted, but kept for service in the herd. Has been used heavily in the herd and some fifteen sale heifers will carry his service. He has great bone and ruggedness with an excellent quarter and rear end. We have high hopes for him and we think you'll like him, even though he will be presented in his working clothes. Calrossie Crocus Count: Sired the 1954 Perth Supreme Champion Burnton Bankbook selling at 7300 guineas and the 1954 Reserve Supreme Champion Burnton Rowan, selling at 5000 guineas. His first calves have set an outstanding record. Calrossie Welcome: Supreme Champion Royal Highland and English Royal Shows. His 1952 crop of calves at Perth averaged 2687 pounds. A few of his outstanding sons include the 7000 gns. Calrossie Ocean Wave, the 7900 gns. Calrossie Armada, the 10,000 gns. Calrossie Highland Piper, and the Perth champion Calrossie Perfect. Beaufort Bolido: Cost 4000 guineas at Perth where he was junior champion. He has sired champions at the International, Royal Winter Fair, as well as many outstanding animals in Scotland. Kair Countess Victoria: This is one of the best breeding families in the Anderson Bros. herds. Countess Victoria is also dam of Kair Victoria Rona purchased for the breeding herd at Glastullich.

**Chapelton Clansman (imp)**--Many of our visitors tell us he is the best bull that will be sold anywhere this year. Last year we realized we were selling a great stock bull in Burnton Everlasting, whose first two calves, both heifers, sold at \$1700 and \$1750 at less than 8 months of age. We are just as confident that Clansman is destined for a great reputation. Over 30 head of females in the herd have been mated to him. We are selling him on condition that we have the privileges of using the frozen semen stored from this bull. In this way his use in the herd may be extended for at least another 12 months. Otherwise we could not afford to sell him. He has a grand head and neck, lots of size with a massive body set on a great set of legs. The kind of a bull that everyone is looking for with size and substance, yet smooth, well-balanced and full of character. Cruggleton Balmoral: Was purchased at Perth for 3000 guineas. His first heifer calf won the Royal Highland. Another was the supreme champion female, Perth, 1954, selling at 1100 guineas to John Alexander, Aurora, Illinois. A son, Chapelton Chieftan, sold in Perth this year at 3300 guineas. Rena Beauty, dam of Cruggleton Balmoral is also dam of Cruggleton Bentham, who bred so well in the Duncrahill herd before he was sold at a high figure to go to South Africa, where he has won the Gold Cup twice at Johannesburg. Chapelton Clara: By Cruggleton Perfect has been a great producing cow. She is the grand dam of Chapelton Coronation sold at 2500 guineas to Sr. Duggan, Argentina, also is the granddam of Chapelton Chieftan selling at 3300 guineas this year. Paloma Clara: Probably the only cow ever to produce two bulls which won 1st prize at the Royal Highland the same day. Cruggleton Perfect: Rated as one of the all time great sires of the breed.

This could easily be a great stock bull, as he is line bred enough to be a consistent sire of the outstanding type of his ancestry. Aldie Jonathan Adonis: Junior Champion, Perth, 1952, sold to Dr. Astengo, Argentina, for 2600 guineas. Calrossie Adonis: Cost 5000 guineas and has sired many high priced animals. Sire of the Reserve Group of three bulls, Perth 1952. Kirkton Baronet: Needs no introduction to any Shorthorn crowd, he being the outstanding sire of the breed in recent years.

## THE HALL CONSIGNMENT

A. E. Hall, a Toronto businessman, purchased a farm close to the old Aberfeldy farm and planned to build a top Shorthorn herd. With this in mind he purchased the three animals listed in this sale, lots 49, 50, and 51. Not having proper accommodations or a herd sire, we reached an agreement to carry them along as a part of our herd operations. With the rapid growth of the area around Toronto, he soon realized it was foolish to build on this land so soon to be taken in by an industrial area. A part of his farm has already been sold for industrial purposes. Consequently he feels it advisable to sell these cattle and re-establish his herd at such time as he gets set up in another area. We enjoyed having him as a neighboring breeder, and hope he is soon back in the fold again.

# Guarantee

The cattle offered in this sale are from a Federally accredited herd for TB. Aberfeldy females are officially calfhood vaccinated for Bangs. Most of the other heifers are vaccinated for Bangs, also. Any exceptions to this will be announced. Health and export certificates will be furnished.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls sold individually are guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with the herd under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months of date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported. Any cattle in this sale that are fitted for Exhibition purposes by their new owners are excluded from the above guarantee.

4. All heifers are guaranteed to be breeders with the exception of heifer calves sold with their dams.

5. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

6. A certificate of registry in the Dominion Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeder's Herd Book.

As soon as cattle are sold, they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

**Terms:** Cash at time of purchase.

In addition to the above guarantee, which is the standard guarantee, we make the further guarantee that all cattle sold as individual lots, regardless of their age, are guaranteed to be breeders.
